

I consider the threatening and harassment and subsequent non-airing of Stolen Honor on Sinclair Broadcasting stations a violation of my right to freedom of information, freedom of speech and expression. If anyone was offended by it, all they need do is change the channel. I was thrilled to hear that they were going to air something controversial and let the viewers decide. I consider it a travesty that Sinclair was cowed into not airing the entire documentary. DO NOT TAKE AWAY MY RIGHTS OF FREEDOM OF SPEECH!
